**RE: Request for Documents**

Dear ICANN:

We write to request copies of all audio recordings or textual transcripts from any and all public meetings of ICANN, whether regularly scheduled or otherwise, in which a non-Staff member made a comment or statement which was recorded or transcribed. For the sake of clarity, we are seeking recordings or transcripts in which ICANN meeting participants appear as a speaker of content. If the recording or transcript consist only of ICANN Staff content, e.g. a public speech made by a member of Staff, that transcript is not required. If an audio recording and a textual transcript contain identical content, kindly supply the textual transcript.

Thank you in advance for your kind cooperation.

Very truly yours,

**GREENBERG TRAUIG, LLP**
