Dear President Beckstrom:

I am writing to express my support for Option #3 of the March 26, 2010, process options submitted by the Internet Corporation for Assigned Names and Numbers, or ICANN, for public comment.

ICANN should vote to adopt the dissenting opinion of the Panel's Declaration on the basis that the Board thinks that the Panel's majority opinion was wrong and that the Board's conduct was consistent with ICANN's Bylaws and Articles of Incorporation. I am very opposed to the creation of an ".xxx" domain for pornography.

Sincerely,

James C. Schul
