Dr. Siyabonga Cwele
Minister
Ministry of Communications
Pretoria,
South Africa

Dear Dr. Cwele,

I would like to thank you and your esteemed team for your support during our recently concluded ICANN 59 policy forum in Johannesburg.

The forum was successful on all accounts and I would like to convey the full satisfaction of the participants, of which an important number came from the continent.

I look forward to a continuous engagement with the Internet community in South Africa and the African continent.

With my highest regards,
