Dear Registrars,

On Saturday, 26 January, on the eve of [NamesCon Global 2019](#), ICANN is hosting a workshop for its accredited registrars and resellers who are considering ICANN accreditation. Topics will range from best practices in the sector and marketplace innovations to contractual compliance and policy development. The workshop will provide participants with an opportunity to interact with each other to discuss various business, technical, and policy aspects of the DNS industry with experts from the field.

The workshop is free of charge and will take place at the Tropicana Hotel before the start of NamesCon. Space is limited. Please register by 12 January at <https://go.icann.org/Registration> and see [Get Engaged in ICANN: A Workshop for Registrars and Prospective Registrars](#) for further information.

We look forward to seeing you in Vegas!

Best regards,

Christopher Mondini
