Section III: Summary of Comments

<u>General Disclaimer</u>: This section is intended to broadly and comprehensively summarize the comments submitted to this Forum, but not to address every specific position stated by each contributor. Staff recommends that readers interested in specific aspects of any of the summarized comments, or the full context of others, refer directly to the specific contributions at the link referenced above (View Comments Submitted).

This <u>document</u> contains a summary of the public comments received in response to the Second Accountability and Transparency Review Team Final Recommendations and Report. The comments are summarized in order of submission for each recommendation group as applicable, with references to individual recommendation numbers if provided. General comments are summarized in "general comments". Even though this summary was drawn-up to reflect as accurately and objectively as possible the views expressed by participants, it does not substitute in any way the original contributions.
