### **OUR NEWS**

#### **SECURE ONLINE TRANSACTIONS WITH NEW COMMERCELOCK!**

Secure your online transactions with register.com's CommerceLock™! CommerceLock allows our customers to conduct secure online business with the highest level of security available.

With CommerceLock, Web merchants are able to conduct secure online communications and transactions by verifying the site's authenticity and encrypting private information such as credit card numbers. By securing the transmission of all transactions, a digital certificate helps to ensure that you and your customers can conduct business safely and efficiently. For a limited time only, register.com customers can buy a digital certificate for an introductory price of \$149! That's a savings of \$50!\*

CommerceLock is offered through Baltimore Technologies, a leading Trust provider for large global corporations and financial institutions, using their state of the art 128-bit encryption technology. Currently, Baltimore root certificates are installed in all major browsers worldwide, allowing register.com to offer its small business customers one of the most competitive product offerings in the security

#### **CORPORATE SERVICES- WE DO YOUR DOMAIN BUSINESS FOR YOU**

Did you know that register.com has a competitive Corporate Services Division that manages the domain names of major organizations? A dedicated Account Manager can help you manage and protect your domain name portfolio. Through your Account Manager, you'll be able to take advantage of the following services:

- Safeguarding your domain - With our Domain Lockdown™ and Trademark Guardian™ services, you'll combat domain hijackers and cybersquatters. Account Masking™ enables anonymous domain name registration. By providing your business with the latest options in domain name security, you can help protect your brand.
- Consolidation Services - we'll find and consolidate all the domain names you've registered into one account. We'll also manage and consolidate bulk transfers and process renewals. All in one place.
- International Brand Protection - multilingual and country code registrations, international searches and domain name registrations help ensure that your brand is protected globally.

We hope you take advantage of your dedicated Account Manager and all of the services corporate register.com can provide you with! To contact an Account Manager for more information, please send an email to [corpgroup@register.com](mailto:corpgroup@register.com).

### **SPECIAL OFFERS**

#### **HAPPY NEW YEAR SALE FROM TELEDOMAINS.COM!**

Ring in 2001 with a great deal from TeleDomains.com! When you register a domain name through register.com (or if you have previously registered a domain name through register.com), TeleDomains' patent pending toll-free telephone number generating system will match a toll-free telephone number to your domain name. For instance, when you register mybrand.com, this service will create a number like 1-877-mybrand and/or a fax number like 1-877-faxmybrand. You'll be charged a low \$95 one-time fee for the customized number creation services, and as part of
