

Amendment to Registry Agreements

THIS AMENDMENT ("Amendment"), effective as of _____ ("Amendment Effective Date"), is made by and between the Internet Corporation for Assigned Names and Numbers ("ICANN") and Donuts Inc. ("Donuts"), and shall amend the Registry Agreement for certain top-level domains ("TLDs") in the manner as further detailed and described herein.

WHEREAS, each Registry Operator of those TLDs identified in Appendix I to this Amendment, which is attached hereto and incorporated herein, is a subsidiary of Donuts, and Donuts represents it has proper authority to execute this Amendment for the purposes intended; and

WHEREAS, in the interest of the mutual of convenience of the parties, in lieu of executing an individual amendment to the Registry Agreement for each individual TLD, the parties hereby desire to execute this Amendment, which shall authorize amendment to those Registry Agreements identified in Appendix I in the form and manner as set forth in Appendix II to this Amendment, also attached hereto and incorporated herein.

NOW THEREFORE, the parties hereto, intending to be legally bound, hereby do agree to the following:

1. The Registry Agreement for those TLDs identified in Appendix I shall be amended in the manner set forth in Appendix II.
2. On the registry page for each individual TLD, the form of Amendment set forth in Appendix II shall be completed with the applicable information (e.g., Registry Operator Name, Registry Agreement Effective Date, TLD) and shall be posted in such form.
3. That, notwithstanding the lack of signature to any individual amendment to Registry Agreement for each TLD, the signature of the parties on this Amendment below shall bind the parties to the terms of amendment set forth in Appendix II for each Registry Agreement listed in Appendix I.

The parties agree that, except as set forth in this Amendment and any prior duly authorized and executed amendments, the current terms and conditions of the Agreement will remain in full force and effect. All capitalized terms not defined will have the meaning given to them in the Agreement.
